STATEMENT OF WORK—EPC-50490

This Statement of Work (this "SOW") effective as of _____, 2009 between PepsiCo, Inc. ("PepsiCo"), and EPC Group. ("Supplier" or "EPC Group"). All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Agreement for Professional Services (the "Master Agreement"), effective as of March 26, 2009, between PepsiCo and Supplier. This SOW is hereby subject to, incorporated into and made part of the Master Agreement. In the event of a conflict between the terms and conditions of this SOW and the Master Agreement, the Master Agreement shall govern. Any defined terms not defined herein shall have the meaning as established in the Master Agreement.

Pursuant to the terms of the Master Agreement, and for good and valuable consideration, the adequacy and receipt of which are hereby acknowledged by the parties hereto, the parties hereto agree as follows.

INTRODUCTION

EPC Group is pleased to propose to PepsiCo, a custom Master Page ("look and feel") initiative for the PepsiCo SharePoint deployment. This SOW contains a single phase that involves the gathering of requirements to create an appropriate design, architecture, implementation, and deployment of one custom Master Page that will work in both MOSS and WSS which will incorporate a system page and custom web part solution within PepsiCo. The SOW also consists of the actual development, approval and deployment of the approved Master Pages design.

EPC Group will gather the branding requirements for the Master Pages design and will provide mockups to the PepsiCo business users and key stakeholder(s). EPC Group, based on several rounds of feedback, will develop the Master Pages using Visual Studio.

EPC Group will develop a Master Page with a custom web part for instant messaging as well as a web part for security trimmed lists. EPC Group will also customize a list for a people finder related search feature.

SIGNATURES

Unless otherwise agreed to in writing by PepsiCo IT Procurement, the Services shall not begin and Supplier will not be paid for any Services performed before the execution of this Statement of Work by both parties.

This SOW embodies the entire understanding between Supplier and PepsiCo and there are no contracts, understandings, conditions, or representations, oral or written, with reference to the subject matter hereof which are not merged herein. Except as otherwise specifically stated, no modification hereto, including without limitation, subsequently issued invoices or purchase orders (even if they so state that they supersede prior agreements with respect to the subject matter stated in this SOW) shall be of any force or effect unless (a) reduced to writing and signed by both parties hereto, and (b) expressly referred to as being a modification of this SOW.

This Statement of Work has been executed by the parties, acting by and through their duly authorized representatives, in duplicate original, either of which may be deemed the original, but together constituting one agreement, and each party receiving one fully completed and executed duplicate.
